MEMORANDUM FOR: Chief, Cartography Division
Chief, Editorial Division
Chief, Geography Division
Chief, Map Library Division
Chief, Publication Division

SUBJECT: Personnel Recruitment

1. During a recent meeting of selected field recruiters and the Chief and Deputy Chief of the Recruitment Division, it was agreed that field recruiters need to concentrate on quality applicants to meet the demands of various components of the Agency. It was felt that the field recruiters could limit their work to the colleges and universities which have provided us with our best personnel, and not feel compelled to contact every school in their territory. In this way, their efforts could be better utilized to meet the demand for filling vacancies.

2. I have been asked to supply a list of schools which, on the basis of our experience, have provided us with employees who meet our quality standards. I would encourage you in the compilation of this list to be as selective as your experience dictates, recognizing that the purpose of this exercise is to give the field recruiters the opportunity to concentrate on fewer colleges and universities.

3. I would appreciate your list by COB, 4 March.
